## SONG OF YOUTH

As a young citizen of India,  
Armed with technology, knowledge and love for  
my nation,  
I realize, Small aim is a crime.

I will work and sweat for a great vision  
The vision of transforming India into a developed  
nation,  
Powered by economic strength with value system.

I am one of the citizen of the billion;  
Only the vision will ignite the billion souls.  
It has entered into me;

The ignited soul compared to any resource  
Is the most powerful resource on the earth,  
Above the earth and under the earth.

- APJ Abdul Kalam
